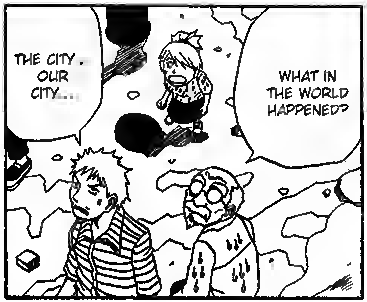
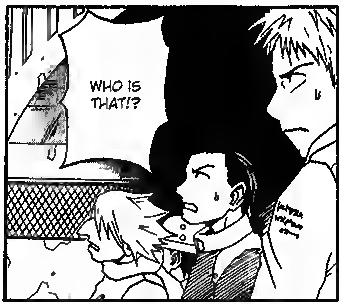
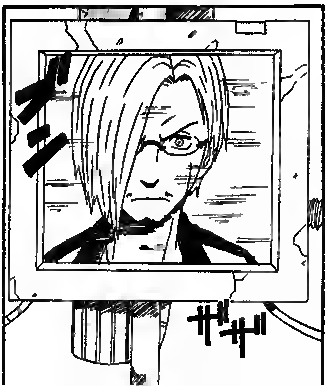
AH! THE TELEVISIONS ARE BROADCASTING SOMETHING AGAIN!



THE CITY. OUR CITY...
WHAT IN THE WORLD HAPPENED?

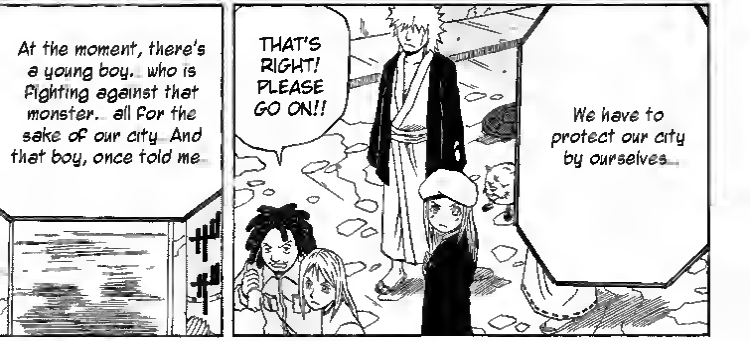


WHO IS THAT!?

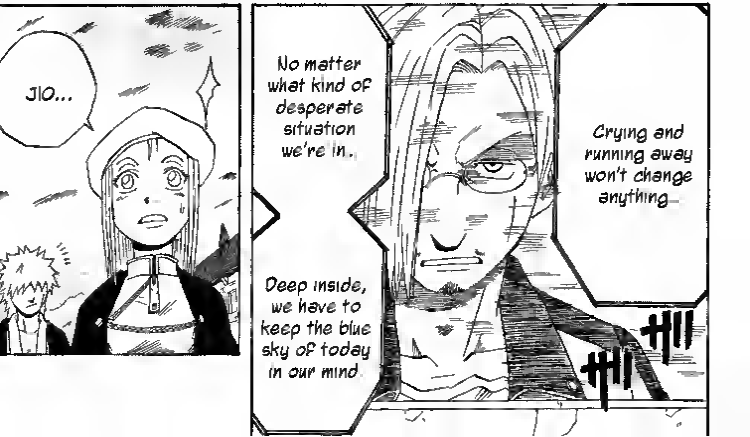


WHAT IS HE TALKING ABOUT?
It's a conversation between Wise from Zenom and Jagga from the Government
I'm the Leader of the Resistance in this city, now I'm going to broadcast a tape that we have in our hands.
KACHI
Once we see the Government people, we just have to retreat, this kind of business is easily done.
Just say it and I'll color this city into crimson any time
The payment of this time
KU
Showing the power of the Government to those city fools, is not as easy as it seems.
WHAT?
KACHI
We were being fooled by the Government the whole time!
Everyone's heard it! The Government and Zenom have been working together behind our backs.

That's all because we only knew of escaping, looking down and depending too much on the Government.
From the beginning, they didn't protect the city and the people.



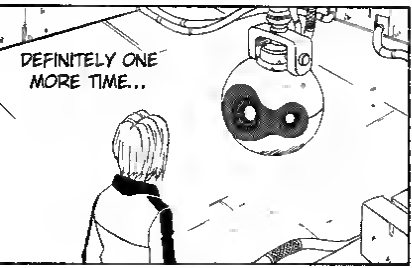
At the moment, there's a young boy... who is fighting against that monster... all for the sake of our city. And that boy, once told me...
THAT'S RIGHT! PLEASE GO ON!!
We have to protect our city by ourselves...



JIO...
No matter what kind of desperate situation we're in,
Deep inside, we have to keep the blue sky of today in our mind.
Crying and running away won't change anything.

EVERYONE
HEADS UP
AND FIGHT!!!

Execute the Last plan!!! Everyone, let's Fight!!!
As your leader... I inform the members of the resistance in this city: that monster may have been released, but we're not done for yet!!



DEFINITELY ONE MORE TIME...

SINCE I'M HIDING IN THE STEAM, YOU THINK YOU COULD AIM PROPERLY AT ME?

AND LASER CONSISTS OF LIGHT BEAMS! IF THE STEAM IS THICK ENOUGH, THE POWER WILL BE DIMINISHED!!
AAA
AH...
THE ELECTRIC WAVES CAN'T PASS THROUGH IT, AND THE LIGHT WILL ALSO BE DISPERSED, UNABLE TO GO THROUGH.
STEAM IS JUST LIKE THE CLOUDS, WHEN IT'S THICK ENOUGH..
IF LASER DOESN'T WORK, I'LL USE THE LEGS TO CRUSH YOU!!
